Stephen II of Antioch

(fl. 477 - 479)

BRIEFING

Stephen II of Antioch (died in 479) was a Patriarch of Antioch from 477 until his death.

BIOGRAPHY

It is unknown when Stephen was born. He became a Patriarch in 477, and he was a successor of John II of Antioch, who held the see only three months and was exiled. Stephen was killed in 479 and was succeeded by Calendion of Antioch.

He is venerated as a martyr saint on 25 April.
